NEW STUDENT APPLICATION FEE: PER STUDENT (Non-refundable)

The New Student Application Fee is required at the time of application to SCA. This fee covers costs associated with the application process and admission testing. This fee is charged to all students who are applying for K-12th grade program, including all Kindergarten students and students who are transferring from another school or homeschool.

RE-ENROLLMENT FEE: PER FAMILY (Non-refundable)

The Re-enrollment Fee is required at the time returning students re-enroll. Once the re-enrollment form and fee are received, the student's seat is reserved. Priority will be given to the student when filling classroom seats; however, **a contract must be entered into to finalize this process**. Families are not responsible for composite & withdrawal fees by simply re-enrolling a student.

COMPOSITE FEE: PER STUDENT (Non-refundable)

The Composite Fee covers most books, supplies, agenda, yearbook, educational supplements, and program enhancements. The book portion of this fee is a prorated fee, since some books are consumable and some last more than one year. Students retain consumable books only at the end of the year. If a student withdraws prior to the start of the school year, the fee is not refunded, and any books or supplies are forfeited.

Fees are as follows: \$500 (K-5); \$600 (6-8); \$700 (9-12)

FAMILY ACTIVITY FEE: PER FAMILY (Non-refundable)

The Family Activity Fee is required per family and may be combined with tuition and composite fees as part of a family's payment plan. This fee will help build a strong future for SCA's athletic program and provide special activities and benefits for all families enrolled at SCA throughout the year.

FACTS Tuition Management: FACTS is the largest provider of tuition payment plans in the industry, giving families a better way to manage education costs over time. With a FACTS Tuition Payment Plan you can choose a convenient payment option to suit your needs. New families will sign up for FACTS to make their tuition payments as part of the enrollment process. FACTS annual fee is currently \$45.

MID-YEAR ENTRY: When a student enters the school during the year, composite fees will be charged in full (see fees above) and tuition will be charged to each month the student is registered (regardless of the number of days in attendance the first month) on the basis of one-tenth (1/10th) of the annual tuition.

WITHDRAWAL FEE (PER FAMILY): A family who withdraws a student after the start of school is responsible for paying a \$2,000.00 withdrawal fee per student as well as composite fees and tuition for each month, including any portion of a month the student was in attendance. Once a family has signed a contractual agreement with SCA, the family has until **June 1, 2018** to rescind the contract to avoid financial responsibility for the composite fee & the \$2,000 withdrawal fee per student.

LATE PAYMENT: (1) In the event that payment is not received within (15) days of its due date, there will be a late charge of \$35.00 added to your account balance. (2) In the event of default of the payment of any installment, in addition to paying any late charge, the family will be charged interest on the unpaid balance of 1% per month from the date of default plus all costs of collection and legal fees. (3) In the event of default, Suffolk Christian Academy has the right to demand total payment of any remaining balance and/or withdrawal of the student from SCA.

ATHLETICS: In effort to provide the best support to student athletes, parents of athletes are required to volunteer twice per season (per sport participation) in concessions or gate duty. Non-participants will be charged a \$50 fee.
