NEW STUDENT APPLICATION FEE: PER STUDENT (Non-refundable)

The New Student Application Fee is required at the time of application to SCA. This fee covers costs associated with the application process and admission testing. This fee is charged to **all** students who are applying for K-12th grade program, including all Kindergarten students and students who are transferring from another school or homeschool.

RE-ENROLLMENT FEE: PER FAMILY (Non-refundable)

The Re-enrollment Fee is required at the time returning students re-enroll. Once the re-enrollment form and fee are received, the student's seat is reserved. Priority will be given to the student when filling classroom seats; however, **a contract must be entered into to finalize this process**. Families are not responsible for composite & withdrawal fees by simply re-enrolling a student.

COMPOSITE FEE: PER STUDENT (Non-refundable)

The Composite Fee covers most books, supplies, agenda (K5-12), yearbook, educational supplements, program enhancements, and capital improvements. No less than \$100 per student will be allotted to the building fund. The book portion of this fee is a prorated fee, since some books are consumable and some last more than one year. Students retain consumable books only at the end of the year. For preschool only, one local field trip is included. If a student withdraws prior to the start of the school year, the fee is not refunded, and any books or supplies are forfeited.

Fees are as follows: \$300 (K3/K4); \$600 (K-5); \$700 (6-8); \$800 (9-12)

ACTIVITY and TECHNOLOGY FEE: PER FAMILY (Non-refundable)

The **Activity and Technology Fee** is required per family and may be combined with tuition and composite fees as part of a family's payment plan. This fee will help build a strong future for SCA's athletic and technology programs and provide special activities and benefits for all families enrolled at SCA throughout the year. **One local class field trip per school year is included.**

FACTS Tuition Management: All families will be **required** to set up a tuition payment plan in FACTS as part of the enrollment process. Plans available: 1, 2, 4, 10 or 11 payments. The annual fee will be \$25 for payment plans paid annually and semi-annually and \$55 for all monthly plans.

MID-YEAR ENTRY: When a student enters the school during the year, composite fees and Activity and Technology Fee will be charged in full (see fees above) and tuition will be charged to each month the student is registered (regardless of the number of days in attendance the first month) on the basis of one-ninth (1/9th) of the annual tuition.

PRESCHOOL WITHDRAWAL FEE (PER STUDENT): A family who withdraws a Preschool student after the start of school is responsible for paying a \$1,000 withdrawal fee per student as well as composite fees and tuition for each month, including any portion of a month the student was in attendance. Once a family has signed a contractual agreement with SCA, the family has until **July 1, 2023** to rescind the contract to avoid financial responsibility for the composite fee & the \$1,000 withdrawal fee per student.

K5-12 WITHDRAWAL FEE (PER STUDENT): A family who withdraws a student after the start of school is responsible for paying a \$2,400 withdrawal fee per student as well as composite fees, activity and technology fee, and tuition for each month, including any portion of a month the student was in attendance. Once a family has signed a contractual agreement with SCA, the family has until **July 1, 2023** to rescind the contract to avoid financial responsibility for the composite fee & the \$2,400 withdrawal fee per student.

MILITARY FAMILIES: In the event that the military member is expecting a change of PCS orders during the school year, please notify the finance office before signing a contract.

LATE PAYMENT: (1) In the event that payment is not received within (15) days of its due date, there will be a late charge of \$40 added to your account balance. (2) In the event of default of the payment of any installment, in addition to paying any late charge, the family will be charged interest on the unpaid balance of 1% per month from the date of default plus all costs of collection and legal fees. (3) In the event of default, Suffolk Christian Academy has the right to demand total payment of any remaining balance and/or withdrawal of the student from SCA.

ATHLETICS: In an effort to provide the best support to student athletes, parents of athletes are required to volunteer twice per season (per sport participation) in concessions or other sports related areas. Non-participants will be charged a \$50 fee.

PRESCHOOL SNACKS & LUNCH: **Snacks are provided daily as part of tuition.** Lunch menus, with current pricing, are provided to families each month. Lunches may be sent in from home or purchased.

Before & After Care Program		
**includes Full Day Care for Teacher Work Days and Conferences		
Registration Fee (*required for use)		\$60 registration fee per student/year
Before Care Only**		\$160 per student per month
After Care Only**		\$245 per student per month
